

FIVE WAYS TO SUPPORT MATHS

A range of games and activities to engage children at Key Stage 1 and 2. Able to search via NC statements, children can access at home as well as use in class.

Busythings.lgfl.net

Problem solving and maths in real life – great for UKS2 with differentiation built in. Great resources to get children to apply mathematical skills to real life problems.

Mitrw.lgfl.net

More than 400 activities for use with IWB mapped to the NC for Year 3 – 6 including starters and lessons. Includes Teacher's notes, resource sheets and easy to use planning documents.

Multemaths.lgfl.net

Learn times tables, ability to set levels for children. Also includes games for KS1 and KS2 arithmetic tests, practice and take an arithmetic test.

j2launch.lgfl.net

A resource designed to add parental engagement in maths. Designed for parents to use alongside their children. A video has been made for every NC descriptor for KS1 and 2 as well as an overview video for Early years.
